

Request for Internet Service Provider

Looking for Internet Service Provider to provide the following services:

1. Internet access for two buildings with bandwidth of a minimum 10 megabit for each building.
2. Email accounts for all staff and students (including virus and spam filtering).
3. Internet firewall protection.
4. Private IP allocation and address translation services.
5. Telephone and on-site technical support for troubleshooting connectivity problems.
6. Installation, configuration and maintenance of ISP owned on-premise equipment.
7. Would prefer compliance with the Ohio K-12 Network connectivity model and preference given for single point of contact for billing and support.
8. Would consider multi-year contract.
