

Trimble High School

Driving and Parking Permit Rules and Regulations

Objective: Safety for every student and person driving or walking on our school premises is our first and foremost thought and consideration. In addition, we want to provide an efficient traffic flow pattern for the convenience of all who drive and a clean and attractive environment.

Therefore, it is mandatory that all students and staff members attain a parking permit and display it in order to use the THS parking lot.

Driving to school (parking on school property) is a privilege which may be revoked by the principal at any time. The following rules apply:

1. Students may park in the rows nearest the gym entrance only. Park only between painted lines.
2. Students are not permitted to go to their vehicles while school is in session or loiter in cars/lot before school.
3. Obey the speed limit (10 mph) and all traffic rules including seat belt use.
4. Vehicles should be locked and windows up.
5. The school is not responsible for theft or damage to vehicles.
6. Any items in a student's car are subject to board policy, the student conduct code, and random search. Students parking on school property have no expectation of privacy.
7. All student vehicles must be registered with the office. Students will be issued a parking permit which should be displayed at all times. All students will be assigned a numbered parking space and must use the assigned space.
8. Staff must also register their vehicles in order to obtain a parking permit. Only registered vehicles are allowed to park in the student parking lot and staff parking areas.
9. Drivers must have a valid driver's license and proof of insurance. The vehicle driven must be registered properly.
10. Students and staff must display their parking permit at all times by hanging it from the car's rear-view mirror with the blank side facing toward the inside.
11. Students and staff are responsible for the cleanliness of their parking area.
12. More than one car may be registered. The permits are designed to be exchanged from one car to another car which belongs to the person registering the permit.
13. There is to be no loitering in the parking lot. Remember that you are on school property and rules pertaining to tobacco and drugs apply.
14. Upon leaving for the day, all students must exit by using Tomcat Drive not Kennedy Road.

In Order to Obtain a Permit

1. You must register by filling out the registration form completely.
2. Students must present their driver's license and proof of insurance. The license plate of all cars must be registered (make updates when new license plates are issued).
3. Auto insurance is the law! It is up to you to provide evidence of insurance. The name of your insurance company must be recorded.
4. Permits will be issued the first week of school during lunch time.

Disciplinary Actions

If you do not abide by all rules and directives-you will not be permitted to drive or park a vehicle at Trimble High School. Vehicles may be towed!

When rules are broken, the following consequences may occur (according to the administration's discretion):

1. Warning
2. Suspension of driving permit for an amount of time to be determined by the administration
3. Revoking of driving permit
4. Vehicles will be towed if parked on school property and they are not registered or the permit to drive has been suspended.
