The Board will maintain secondary insurance through a nonownership liability
endorsement to its bus fleet insurance policy covering private vehicles belonging to
Board recognized employees or volunteers used for transportation to and from student
activities.

According to the THS Athletic Handbook, an athlete who wishes to ride home with a
parent must present this signed form to the coach. It is helpful if the form is given to
the coach prior to the contest.

If the student will be riding with an adult other than his/her own parent, this form must
be completed and presented to the principal well in advance of the contest. Phone
verification will be made prior to approval and the school reserves the right to deny
the request.

Athletes and student support personnel who violate these transportation guidelines
face disciplinary consequences as outlined in the Athletic Handbook and THS Student
Handbook.
